

## Anchor Varshini Inaugurates Nails N Beyond Showroom at Nexus Mall, Kukatpally

### Description

Nails N Beyond, a subsidiary brand of the renowned salon chain Naturals, has made its debut, focusing on the importance of nail care in enhancing beauty. Just as skincare and hair care are crucial for women, nail care holds equal significance. Understanding the growing interest in nail art among women, Nails N Beyond has introduced a variety of unique nail art products and services.

The spacious second floor of the bustling Nexus Mall in Kukatpally, Hyderabad, now houses the new Nails N Beyond showroom. The grand opening took place on Sunday, with the showroom being inaugurated by the popular actress and anchor, Varshini Sounderajan. Varshini, adorned with stunning nail art, expressed her delight at the launch. She remarked that Nails N Beyond would soon become a favorite among women. Recalling an incident during a visit to the U.S., Varshini shared how she was surprised to see a girl holding a placard while begging, yet sporting well-done nail art. This, she said, highlighted the growing trend and demand for nail art globally.

Varshini also noted that nail art shops are now ubiquitous, and it's a booming business. She wished for Nails N Beyond to expand further by opening another branch soon and extended her best wishes to the management for the success of the brand.
