

## Congress Likely to Win Jubilee Hills By-Election: 'Game Changer' Survey

### Description

**Hyderabad:** The Congress candidate Naveen Yadav is likely to secure victory in the Jubilee Hills by-election, according to a political management survey conducted by Game Changer MediaBoss Network.

The survey projects that the Congress may receive between 42% and 46% of the total votes, while the BRS candidate Maganti Sunitha is expected to get 34% to 38%. The BJP candidate Lankala Deepak Reddy could secure 12% to 16%, and other candidates may share 4% to 8% of the vote.

Representatives from Game Changer MediaBoss Network said, "We conducted this survey by deeply analyzing voter opinions across various sections. Senior journalists and political analysts participated in this process. Data was collected from all regions and professional groups within the Jubilee Hills constituency. The results clearly indicate the direction in which the election is heading."

The survey was conducted between October 29 and November 5, 2025, covering feedback from 6,200 voters across the constituency.
