

## Director Mohan Vadlapatla's Film M4M Hindi Trailer to Launch at Goa Film Festival on November 23

### Description

- M4M Hindi trailer launch in the presence of film celebrities on November 23rd
- M4M Produced in Five Languages, Including Telugu
- A Hollywood-Range Suspense Thriller
- Directed and Produced by Mohan Vadlapatla

The much-anticipated movie M4M (Motive For Murder), directed by filmmaker Mohan Vadlapatla, is turning into a hot topic nationwide. In an exciting development, the Hindi trailer of M4M is set to premiere at the prestigious Goa International Film Festival (IFFI) on 23rd November at 7 PM. The event will be graced by the President and Vice President of IMPPA, alongside prominent film personalities from India and abroad.

Mohan Vadlapatla, Director & Producer described the subject of M4M as universal, appealing to audiences worldwide. He promised that the revelation of the "Motive For Murder" will leave audiences stunned and deliver an unprecedented cinematic experience. He also announced plans to release the film globally in five languages soon.

This gripping psycho-thriller has been created in Telugu, Hindi, Tamil, Kannada, and Malayalam, offering audiences an unparalleled experience in the genre. Industry insiders are abuzz, predicting that this murder mystery will redefine standards in the field. Starring Jo Sharma (USA) as Heroine and Sambeet Acharya as Hero in investigative roles, M4M is poised to usher in a new era for pan-Indian psycho-thriller cinema.
