

Grand Felicitation to TGS PDCL Superintending Engineer on His Retirement

Description

Grand Felicitation to TGS PDCL Superintending Engineer on His Retirement

Hyderabad (MediaBoss Network): Koppanathi Lakshminarayana, who served as the In-charge Superintending Engineer of the TGS PDCL Banjara Hills Circle in Hyderabad, has recently retired after completing 36 years of dedicated service in the electricity department. On this occasion, fellow officials, staff members, and family members extended their heartfelt appreciation and congratulations for his remarkable contributions.

A felicitation programme was organized under the aegis of TGS PDCL to honour Lakshminarayana on the occasion of his retirement. Senior officials of TGS PDCL participated in the event and conveyed their best wishes, acknowledging his commitment and long-standing service to the organization.

Speakers at the event noted that Lakshminarayana played a significant role in the development of the department through his sincere and responsible service over the years. A special video presentation highlighting his professional journey and achievements during his tenure in the electricity department was also screened during the programme.

The dignitaries appreciated his leadership in handling key responsibilities and his efforts in ensuring better services to electricity consumers. They wished him a healthy, peaceful, and happy retired life with his family members.

TGS PDCL officials, media representatives, and members of his family attended the programme and extended their warm greetings and best wishes on the occasion.
