Hyderabad (November 23, 2024):
Renowned Indian filmmaker S.S. Rajamouli inaugurated the Star Liver Institute, a state-of-the-art facility dedicated to advanced liver care and transplantation services under the aegis of Star Hospitals. The grand event took place at Nanakramguda, Hyderabad. Rajamouli, the chief guest at the event, lauded the management for creating a world-class institute designed to deliver exceptional liver care.

Speaking on the occasion, S.S. Rajamouli said,
â??It is a matter of immense pride that an institute like Star Liver Institute has been established in Hyderabad. The liver is a vital organ of our body, and creating a specialized center with world-class facilities for its care will undoubtedly bring transformative changes in peopleâ??s lives. I extend my heartfelt congratulations to Dr. Ravindranath, Dr. Mettu Srinivas Reddy, and the entire team for this remarkable achievement. I am confident that this institute will grow to a level where not just Hyderabad but the entire country can take pride in it.â?•*

The instituteâ??s management stated that the Star Liver Institute aims to provide global-standard liver care services, along with the highest quality liver transplantation services. The event was graced by notable figures from the medical field, including Dr. Gopichand Mannam (Managing Director, Star Hospitals Group), Dr. Ramesh Gudapati (Joint Managing Director, Star Hospitals), Dr. K. Ravindranath (Mentor, Star Liver Institute), Dr. Mettu Srinivas Reddy, and Dr. Ramesh Kancharla (Chairman, Rainbow Childrenâ??s Hospital).

The dignitaries extended their gratitude to S.S. Rajamouli for inaugurating the facility. The event also witnessed appreciation from eminent guests and medical professionals for the hospitalâ??s advanced infrastructure and services.
