

JAYESH RANJAN PENS OPEN LETTER TO TELUGU TECHNOCRATS WORLDWIDE

Description

Hyderabad: In a heartfelt open letter directed towards Telugu technocrats across the globe, Jayesh Ranjan, the Principal Secretary of the Information Technology, Electronics, and Communications Department of the Government of Telangana, cordially invites them to partake in the prestigious World Telugu Information Technology Conference (WTITC) 2023. Scheduled to be held on August 6 at the renowned Singapore Changi Expo, this conference aims to unite Telugu technocrats from various corners of the world.

With a vision of fostering collaboration and providing unparalleled networking opportunities, the WTITC 2023 promises to be a truly global gathering. Technocrats representing over 100 countries are anticipated to participate, creating a unique platform for connection and the exchange of ideas within the vibrant Telugu IT community. Notably, the conference will feature esteemed officials from the Information Technology, Electronics, and Communications Departments of both Telugu states. Through insightful sessions and engaging panel discussions, participants will gain valuable insights into the visionary policies and initiatives undertaken by the Telugu state governments to fuel the growth of the IT sector.

Expressing his genuine enthusiasm for this grand event, Jayesh Ranjan emphasizes the opportunity to engage with technocrats from diverse countries. The conference will serve as an exceptional platform for sharing experiences, exploring potential collaborations, and strengthening the global Telugu IT community.

The WTITC 2023 promises to be an enriching experience, where Telugu technocrats can connect, network, and forge meaningful partnerships to drive innovation and growth in the IT sector. Jayesh Ranjan extends a warm invitation to all Telugu technocrats worldwide to join this esteemed gathering and contribute to its success.

For further information and registration details, please visit the official website of the World Telugu Information Technology Conference.

Jayesh Ranjan, I.A.S.
Principal Secretary to Government
Information Technology, Electronics
& Communications Department
Government of Telangana

Dt. 24.6.2023

Dear Telugu Technocrats,

Subject: Invitation to World Telugu Information Technology Conference 2023

I hope this letter finds you in good health and high spirits. It gives me immense pleasure to extend a warm invitation to you for the upcoming World Telugu Information Technology Conference (WTITC) 2023, to be held on August 6th at the prestigious Singapore Changi Expo.

As the Principal Secretary of the Information Technology, Electronics, and Communications Department, Government of Telangana, I am honored to be a part of this grand event that brings together Telugu technocrats from around the world. It is my privilege to personally invite you to join us at this remarkable conference.

The WTITC 2023 serves as a platform for Telugu IT professionals to connect, collaborate, and foster networking opportunities within our vibrant community. With participation from more than 100 countries, this conference promises to be a truly global gathering of Telugu technocrats.

One of the key highlights of the event is the opportunity to interact with top officials from the Information Technology, Electronics, and Communications Departments of both Telugu states. Through insightful sessions and panel discussions, you will gain valuable insights into the policies and initiatives undertaken by the Telugu state governments to promote the growth of the IT sector.

Moreover, this conference will provide me with a unique opportunity to meet and engage with technocrats from different countries. I look forward to exchanging ideas, experiences, and exploring avenues for collaboration that will further strengthen our global Telugu IT community.

Attending the WTITC 2023 will not only expand your professional network but also enhance your knowledge through engaging sessions, technical presentations, and thought-provoking discussions. It is a platform to showcase your expertise, share your success stories, and learn from the achievements of fellow Telugu technocrats.

I urge you to seize this exceptional opportunity and be a part of this prestigious event that celebrates our collective achievements in the world of information technology. Your presence and active participation will contribute to making the WTITC 2023 an enriching experience for all.

To register for the conference and secure your spot, please visit bit.ly/wtiti23. Should you have any queries or require further information, feel free to reach out to WTITC Network Chairman Mr. Sundeep Kumar Makthala at (+91) 81235 7575 or chairman@wtitcnetwork.com.

Thank you for your invaluable contributions to the IT industry and your commitment to the Telugu community. I look forward to welcoming you to Singapore for the World Telugu Information Technology Conference 2023.

Warm regards,

(Jayesh Ranjan)
