â?? M4M ready to create new waves
â?? Releasing in 5 languages, including Telugu
â?? Hollywood-level suspense thriller
â?? Directed and produced by Mohan Vadlapatla

The upcoming movie M4M (Motive For Murder) is set to shake up the Telugu industry with a thrilling subject never before seen on screen. Directed and produced by Mohan Vadlapatla, M4M will release globally in five languages, including Telugu. The filmâ??s unit recently unveiled a poster that features a unique killer character. The red-themed poster hints at a distinct and unconventional killer character, exuding an â??Iâ??m differentâ?• vibe. The design and title of M4M resemble the look and feel of a Hollywood thriller.

Speaking on the occasion, director-producer Mohan Vadlapatla said they crafted M4M with the principle of Content is King. He expressed confidence that the suspense thriller will be a â??feather in the crownâ?• for the industry, establishing itself as a milestone in the suspense thriller and murder mystery genre. The team plans to release M4M worldwide in five languages shortly. Promotions have already started in Tollywood, Bollywood, and even the U.S. Vadlapatla praised the Hollywood-level contributions of the team, including Vasantâ??s music, Anand Pavanâ??s editing, and Santosh Shanamoniâ??s cinematography.
