Hyderabad: The Digital Media Awardsâ??2026, organized by Hybiz TV at Cyber Gardens in Hitech City, were held in a grand manner, where noted journalist Muddam Narasimha Swamy received the Best AI Journalism Award. The prestigious honour was presented by Telangana State Minister Mohammad Azharuddin and Malla Reddy University Vice Chairperson Preeti Reddy.

The organizers stated that the award recognizes Narasimha Swamyâ??s innovative contributions to AI-powered journalism, his effective use of modern technologies in media, and his efforts in training journalists and media professionals in emerging AI tools. They praised his work as a model for strengthening journalism in the evolving digital media era.

Speaking on the occasion, Muddam Narasimha Swamy expressed heartfelt gratitude to the Hybiz TV management and its Managing Director Rajagopal Madishetty for the recognition. He said the award has increased his sense of responsibility and reaffirmed his commitment to further advancing AI

journalism in the future.

Participants at the event noted that the award highlights the growing importance of AI in digital media and serves as an inspiration to young journalists entering the profession.

Several media professionals, digital content creators, and corporate representatives attended the ceremony in large numbers.
