

## OMANI CENTRAL MINISTER SECURES EXCLUSIVE ENTRY TICKET TO PRESTIGIOUS TELUGU IT CONFERENCE

### Description

Hyderabad: The highly anticipated World Telugu Information Technology Conference (WTITC) is set to make its mark at the prestigious Singapore Changi Expo, and it has gained significant momentum with the confirmation of the attendance of His Excellency Dr. Saud bin Hammoud al Habsi, the Minister of Agriculture, Fisheries, and Water Resources from Oman. In a noteworthy development, Dr. al Habsi was presented with the first entry ticket to the event by WTITC chairman Sundeep Kumar Makthala, symbolizing a significant milestone in the conference's preparations. The WTITC, scheduled to take place on August 5 and 6, is expected to attract technology enthusiasts, industry experts, and Telugu professionals from across the globe.

During his visit, Dr. Saud bin Hammoud al Habsi, invited by Sundeep Makthala, had the opportunity to explore remarkable technological landmarks. The Minister toured THUB (Technology Hub), the world's largest innovation campus, and Tworks, the world's second-largest prototyping center located in Telangana, Hyderabad. These visits showcased the cutting-edge advancements and technological prowess of Telangana, leaving the Minister thoroughly impressed with the region's innovation ecosystem.

The issuance of the first entry ticket to His Excellency Dr. Saud bin Hammoud al Habsi marks the commencement of ticket sales for the Singapore WTITC event. Interested individuals can secure their spot by visiting the official WTITC website at [bit.ly/wtitc2023](http://bit.ly/wtitc2023) or by contacting the organizing committee directly at +91 6300368705 or +91 8123457575. This prominent technology conference aims to foster knowledge exchange, collaboration, and networking among the global Telugu community.

Expressing his appreciation for the efforts of WTITC Chairman Sundeep Kumar Makthala in bringing together professionals and enthusiasts from the Telugu community onto a global platform, His Excellency Dr. Saud bin Hammoud al Habsi emphasized the importance of such conferences in promoting technological advancements, fostering international cooperation, and driving economic growth.

The Singapore Changi Expo, known for its state-of-the-art facilities and commitment to excellence, will serve as the host venue for the World Telugu Information Technology Conference. This exceptional setting will create an immersive and engaging environment for participants. Sundeep Kumar Makthala,

Chairman of WTITC, commented, "The World Telugu Information Technology Conference is poised to be a landmark event, bringing together Telugu professionals, technology enthusiasts, and industry leaders on a global stage. It will provide a unique opportunity for networking, collaboration, and knowledge sharing, ultimately driving the growth and development of the Telugu IT community."

About World Telugu Information Technology Conference (WTITC):

The World Telugu Information Technology Conference (WTITC) is a prestigious global event that aims to promote knowledge exchange, collaboration, and networking among the Telugu community. With a focus on technological advancements, the conference provides a platform for professionals, enthusiasts, and industry leaders to come together and contribute to the growth and development of the Telugu IT ecosystem.
