Description

The teenage love thriller â??Preminchoddu â?? Donâ??t Loveâ??, directed by Shirin Sriram, is now available for streaming on Amazon Prime Video and Bcineet OTT. Featuring Anuroop Reddy, Deva Malisetti, Sarika, and Manasa in lead roles, the film is produced under the Shirin Sriram Caf  banner.

Set against the backdrop of a basti, this youthful love story explores the consequences of teenage relationships. Made as a pan-India film in five languages, the movie presents a raw and rustic narrative based on real-life incidents. It sensitively portrays the challenges of love at a young age, focusing on its impact on academics and life.

Director Shirin Sriram commented, â??This is a unique love story. After receiving appreciation in theaters, â??Preminchodduâ?? is now streaming on Amazon Prime and Bcineet OTT. I have filed a legal complaint against the makers of the Telugu movie â??Baby,â?? accusing them of stealing my story. I am pursuing the case in court and hope for the audienceâ??s support in this situation.â??•
