

â??Ade Neevu Ade Nenuâ??: Romantic Thriller Scores Success; Director Kondal & Producer Govindu Express Gratitude

Description

The latest romantic thriller **â??Ade Neevu Ade Nenuâ?•**, starring Trinadh Verma (*Committee Kurrollu* fame), Yashwanth Pendyala, Tanvi Negi (*Siddharth Roy* fame), and Sahar Krishnan in the lead roles, has opened to positive audience reception and is running successfully in theaters. Produced by Govindu Kandregula under the banner of **Sri Lakshmi Veerabhadra Creations**, the film is directed by debutant director **Kondal**.

Following the movieâ??s theatrical release on July 31, the film crewâ??including director Kondal and producer Govindu Kandregulaâ??shared their joy over the positive word-of-mouth and success.

Director Kondal and Producer Govindu Kandregula said:

â??We extend our heartfelt gratitude to the audiences across the two Telugu states for embracing our movie **â??Ade Neevu Ade Nenuâ?•**. Viewers who watched the film are appreciating its fresh narrative style and unique screenplay. It brings us immense joy to hear people say they havenâ??t seen a story structure quite like this in recent times.

While the first half builds suspense and misunderstandings, the second half neatly resolves them while beautifully highlighting the sanctity of our traditional marriage systemâ??a factor that is connecting strongly with family audiences. Making a romantic crime thriller centered around six main characters in a gated community, without including a single police officer character, was an experiment. We are thankful to the audience for making this experiment a hit. If you like the movie, please recommend it to your family and friends, and keep supporting new filmmakers like us.â?•
