GBN ELITE marked the grand celebration of Sardar Sarvai Papanna and Narayana Guru Jayanti at Hotel Manohar, Begumpet, with prominent community leaders and members in attendance.

Hyderabad (MediaBoss Network): The Gouds Business Network (GBN ELITE) organized a special meeting in which the Jayanti celebrations of two great iconsâ??Sardar Sarvai Papanna, the first Bahujan emperor, and the renowned social reformer Narayana Guruâ??were held with grandeur. The event took place at Hotel Manohar, Begumpet.

The celebrations were graced by several eminent personalities, including former Chairman of Geetha Workersâ?? Cooperative Finance Corporation Palle Ravikumar Goud, BC Welfare Association National President Jajula Srinivas Goud, GOPA President Bandi Sayanna, Advocate Muddagoni Rammohan Goud, Sardar Sarvai Papanna Trust Chairman Panjala Shravan Goud, Peddapeta Shankar Goud, GBN ELITE Chairman Sai Charan Goud, and members of the organization.

Speaking on the occasion, the guests highlighted the contribution of the Goud community:

â??Gouds have been playing a key role in every sphere. Courage and determination run in our blood. Sardar Papanna, centuries ago, shook even the mighty Mughal emperorsâ??a feat unimaginable in those times. Such a great leader must always be remembered, and we must walk in his footsteps. To gain political power, the community needs to strengthen its economic base. Our business empire must grow stronger to fill this gap. As Karl Marx said 150 years ago, all human relations are essentially economic relations. Only by becoming economically powerful can we achieve all our goals. GBN ELITE will always have our support and cooperation.â?•
