

TDF Donates Free Computers to Namapur School

Description

As part of the "Mana Telangana Badi" project, the Telangana Development Forum (TDF), with the support of the TDF-USA Atlanta Chapter, donated five computers to the Government Primary School in Namapur village, Mustabad Mandal. TDF has been actively involved in several service initiatives across the Telangana region for the past 25 years. In line with its efforts to enhance infrastructure in government schools, TDF, with the support of its president Matta Rajeshwar Reddy, contributed these computers to Namapur Government Primary School.

The school management and the residents of Namapur expressed their gratitude to TDF-USA Vice President Swati Soodini and Vikram Reddy for their efforts in making this project a success.

Former TDF President Dr. Dinesh Anireddy emphasized that the "Mana Telangana Badi" project is playing a crucial role in providing better infrastructure to government schools in Telangana. He noted that this initiative is helping to improve school admissions and provide children with a strong educational foundation.

TDF India President Matta Rajasekhar Reddy stated that in response to Telangana Chief Minister Revanth Reddy's request, TDF-USA's former chairman Gade Gopal Reddy had collaborated in preparing a detailed report on primary and higher education in Telangana, which was submitted to the government last year.
