Hyderabad:

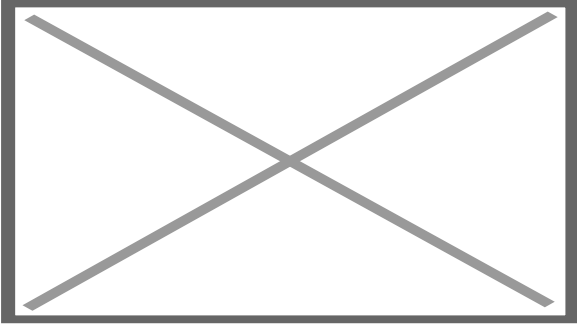

The Telangana Development Forum (TDF), which has played a vital role in the Telangana movement and continues to work for the development of the state, is celebrating its 25th anniversary in the United States. The grand celebrations are scheduled to be held on August 8, 9, and 10 in California.

TDF-USA former president Kavitha Challa and TDF-India president Matta Rajeshwar Reddy personally invited Telangana Chief Minister Revanth Reddy to attend the celebrations as the chief guest.

On this occasion, CM Revanth Reddy unveiled the official poster of the TDF-USA Silver Jubilee celebrations. He recalled his participation in the TDF event held in the US in 2019 and lauded the dedicated efforts of TDF for the formation of Telangana and its ongoing developmental initiatives.

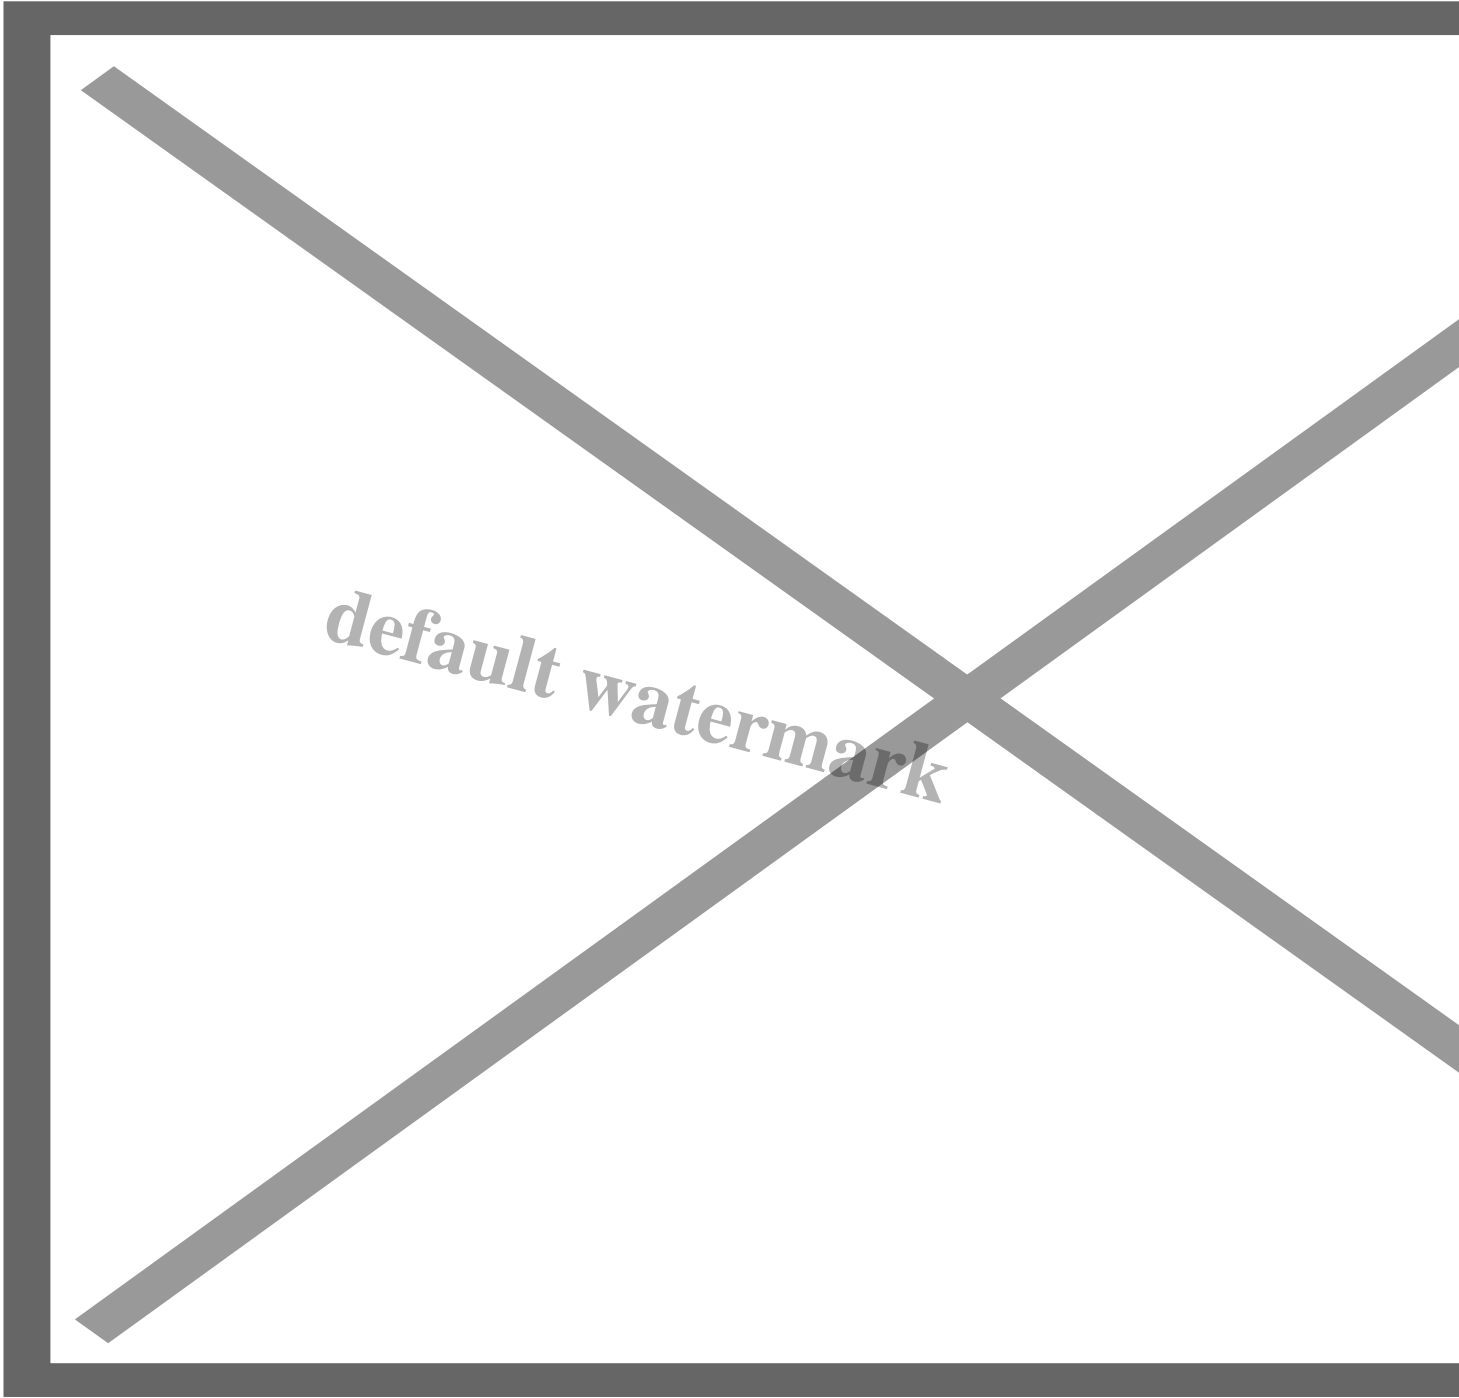

The Chief Minister appreciated TDF's contributions, acknowledging their relentless service during the Telangana statehood movement and their continued involvement in various development programs across multiple districts of the state. He also expressed happiness over his past interactions with the Telangana community in the US during his tenure as PCC chief, where he sought their support for establishing a government in the state.

TDF organizers stated that the Chief Minister showed keen interest in attending the Silver Jubilee celebrations in the US. The event was attended by TDF former president Kavitha Challa, TDF India president Matta Rajeshwar Reddy, Secretary Vineel, and others.
