

Vande Mataram, the sacred resonance of Gandhi

Description

Vande Mataram, the sacred resonance of Gandhi
We need your guidance once again.
We must stop the wrongdoing,
You alone must show us the way.
Vande Mataram, the sacred resonance of Gandhi

With corruption and violence,
People are losing their values.
We need a new truth and a new path,
A path that can lead us forward.
Vande Mataram, the sacred resonance of Gandhi!

Without hesitation, you must come,
And guide us in the right direction.
In the midst of the darkness that surrounds us,
Your message of truth and non-violence
Is still needed today.
Vande Mataram, the sacred resonance of Gandhi!

A Satyagrahi who walked with spectacles and a stick,
Though he was elderly, his courage surpassed that of the young.
Bapu's spirit stretched from Kashmir to Kanyakumari,
His strong nerves flowed with the blood of freedom,
Like the sacred Ganges flowing with holy water.
He never turned back from the path of truth and freedom.
He was the fearless soul who shook the mighty English throne.
Vande Mataram, the sacred resonance of Gandhi!

Swords, sickles and guns?
Why do we need such violent weapons?

Wrath, anger and hatred are not our weapons.
A smile is our only weapon.
Love for our fellow human beings,
Respect for our motherland??
Humanity is our indelible beauty,
says Gandhism. Fearless?| Bloodless?|
Gandhiâ??s freedom movement was a fire
That spread like wildfire, Throughout the country.
Vande Mataram, the sacred resonance of Gandhi!
